NOTICE-MEDICAL STANDARDS

COLOUR PERCEPTION STANDARDS-ARMED FORCES

There have been a large number of queries from prospective candidates for details of acceptable colour perception standards (CP) to join the Armed Forces.

It has been confirmed from the specialist doctors that the minimum standards for acceptance of candidate in the medical board is **CP2**. The same has been confirmed from service headquarters.

Henceforth, candidates not meeting the above criteria of colour perception will be declared **MEDICALLY UNFIT** to join this institute.
